Tilion Brewing Company ("Tilion") has filed a Small Corporate Offering Registration (SCOR) Statement including an Investor Package and Form U-7 Disclosure Document (the "Offering Statement") with the Minnesota Department of

Commerce and is conducting an offering of its Series A Preferred Membership Units (the "Units") in Minnesota.

The Minnesota Department of Commerce declared the Offering Statement effective on February 9, 2016. Tilion has not filed an Offering Statement related to its Units with any other state, but may elect to do so in the future. If you are interested in investing in Tilion, please visit TILIONBREWING.COM.

Delivery of the Offering Statement shall not be deemed an offer in any state other than Minnesota unless the Offering Statement has been declared effective in that state or utilizing an exemption under state law. This is not an offer to sell or a solicitation of an offer to buy these securities. Such offer or solicitation shall be made only by the Offering Statement and only where Tilion's Offering Statement has been declared effective or is exempt under applicable state law.
